PE & SCHOOL SPORT FUNDING 2022-2023

The primary school sport premium is £150 million per annum of government funding jointly provided by the Departments for Education, Health and Culture, Media and Sport. Investment will go direct to individual primary schools and is designed to support improvements in the quality and depth of PE and school sport in addition to the curriculum.

The Department for Education vision is that all pupils leaving primary school are physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport. The objective is to achieve self-sustaining improvement in the quality of PE and sport that delivers high quality provision of a balanced and holistic PE and school sport.

Areas to develop include: -

The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles

The profile of PE and sport being raised across the school as a tool for whole school improvement

Increased confidence, knowledge and skills of all staff in teaching PE and sport

Broader experience of a range of sports and activities offered to all pupils

Increased participation in competitive sport

Chantry Community Academy receives £19500 which we use to support these outcomes through various options including: the provision of high quality swimming opportunities for pupils in Key Stage 2, employing a specialist to deliver PE, working with other schools and partnerships, transport, equipment and to support the provision of sport and activity.

Chantry Community Academy

Action	Cost	Aim & outcomes	Impact
Provision of swimming lessons using a private company H2O, pool hire and provision of lifeguard	£10150	<ul style="list-style-type: none"> • Improve water confidence • Increase the % of children who can swim 25 metres • Provide children with a skill they need for life • Specialist swimming teachers will enable rapid progress • Meet statutory obligations around curriculum 	<ul style="list-style-type: none"> • Over 50% of Year 6 able to complete the 25m • Over 50% of pupils able to perform self-rescue • 100% of pupils from KS2 had access to swimming • Pupils enjoyed swimming and made excellent progress
